Case No. 2:14-cv-00750-JAD-NJK

ORDER

16 This matter is before the Court on the parties' stipulation for an extension of deadlines.
17 Docket No. 9. The stipulation misstates Local Rule 26-4, in that it provides that requests to extend
18 deadlines in the scheduling order need only be filed 20 days before the discovery cut-off. *See id.* at
19 1. Local Rule 26-4 requires that any request to extend deadlines set forth in the scheduling order
20 must be submitted at least 21 days before the subject deadline. For example, any request to extend
21 the deadline for initial expert disclosures must be filed at least 21 days before the expiration of that
22 deadline. Such a request filed only 21 days before the discovery cut-off would be untimely.
